

NMFS transfer that permit to a vessel of a length calculated from the length of the permitted vessel immediately prior to downsizing.

(ii) There are no vessel size limitations to obtain a permit for the northern zone via transfer.

(d) *Permit renewal.* NMFS will not renew a commercial vessel permit for South Atlantic golden crab if the permit is revoked or if the RA does not receive a required application for renewal within 6 months after the permit's expiration. See § 622.4(h) for the applicable general procedures and requirements for permit renewals.

[67 FR 22361, May 3, 2002, as amended at 70 FR 73388, Dec. 12, 2005; 73 FR 410, Jan. 3, 2008]

§ 622.18 South Atlantic snapper-grouper limited access.

(a) *General.* The only valid commercial vessel permits for South Atlantic snapper-grouper are those that have been issued under the limited access criteria specified in the Fishery Management Plan for the Snapper-Grouper Fishery of the South Atlantic Region. A commercial vessel permit for South Atlantic snapper-grouper is either a transferable commercial permit or a trip-limited commercial permit.

(b) *Transfers of permits.* A snapper-grouper limited access permit is valid only for the vessel and owner named on the permit. To change either the vessel or the owner, an application for transfer must be submitted to the RA.

(1) *Transferable permits.* (i) An owner of a vessel with a transferable permit may request that the RA transfer the permit to another vessel owned by the same entity.

(ii) A transferable permit may be transferred upon a change of ownership of a permitted vessel with such permit—

(A) From one to another of the following: husband, wife, son, daughter, brother, sister, mother, or father; or

(B) From an individual to a corporation whose shares are all held by the individual or by the individual and one or more of the following: husband, wife, son, daughter, brother, sister, mother, or father. The application for transfer of a permit under this paragraph (b)(1)(ii)(B) and each application for renewal of such permit must be accom-

panied by a current annual report of the corporation that specifies all shareholders of the corporation. A permit will not be renewed if the annual report shows a new shareholder other than a husband, wife, son, daughter, brother, sister, mother, or father.

(iii) Except as provided in paragraphs (b)(1)(i) and (ii) of this section, a person desiring to acquire a limited access, transferable permit for South Atlantic snapper-grouper must obtain and exchange two such permits for one new permit.

(iv) A transfer of a permit that is undertaken under paragraph (b)(1)(ii) of this section will constitute a transfer of the vessel's entire catch history to the new owner.

(2) *Trip-limited permits.* An owner of a vessel with a trip-limited permit may request that the RA transfer the permit to another vessel owned by the same entity.

(c) *Renewal.* NMFS will not reissue a commercial vessel permit for South Atlantic snapper-grouper if the permit is revoked or if the RA does not receive an application for renewal within one year of the permit's expiration date.

[70 FR 73388, Dec. 12, 2005, as amended at 74 FR 58913, Nov. 16, 2009]

EFFECTIVE DATE NOTE: At 74 FR 58913, Nov. 16, 2009, § 622.18(b)(1)(ii) was revised. This paragraph contains information collection and recordkeeping requirements and will not become effective until approval has been given by the Office of Management and Budget.

§ 622.19 South Atlantic rock shrimp limited access off Georgia and Florida.

(a) *Initial applicability.* (1) The measures in paragraph (a) of this section are applicable on November 2, 2009 through January 26, 2010.

(2) For a person aboard a vessel to fish for rock shrimp in the South Atlantic EEZ off Georgia or off Florida or possess rock shrimp in or from the South Atlantic EEZ off Georgia or off Florida, a limited access endorsement for South Atlantic rock shrimp must be issued to the vessel and must be on board.

(3) A limited access endorsement for South Atlantic rock shrimp is valid only for the vessel and owner named on

the permit/endorsement. To change either the vessel or the owner, a complete application for transfer must be submitted to the RA. An owner of a vessel with an endorsement may request that the RA transfer the endorsement to another vessel owned by the same entity, to the same vessel owned by another entity, or to another vessel with another owner. A transfer of an endorsement under this paragraph will include the transfer of the vessel's entire catch history of South Atlantic rock shrimp to a new owner; no partial transfers are allowed. No transfer of a limited access endorsement for South Atlantic rock shrimp will be allowed after November 2, 2009.

(4) The RA will not reissue a limited access endorsement for South Atlantic rock shrimp if the endorsement is revoked or if the RA does not receive a complete application for renewal of the endorsement within 1 year after the endorsement's expiration date.

(b) *Subsequent applicability.* (1) The measures in paragraph (b) of this section are applicable on and after January 27, 2010.

(2) For a person aboard a vessel to fish for rock shrimp in the South Atlantic EEZ off Georgia or off Florida or possess rock shrimp in or from the South Atlantic EEZ off those states, a Commercial Permit for Rock Shrimp (South Atlantic EEZ) must be issued to the vessel and must be on board.

(3) *Applications.* No applications for additional Commercial Vessel Permits for Rock Shrimp (South Atlantic EEZ) will be accepted, except as follows:

(i) *Failure to renew.* An owner of a vessel may apply for a Commercial Vessel Permit for Rock Shrimp (South Atlantic EEZ) and such permit will be issued provided the owner,

(A) Had a limited access endorsement for South Atlantic rock shrimp;

(B) Failed to request renewal of his or her endorsement within 1 year after the endorsement's expiration date; and

(C) Renewed his or her commercial vessel permit for rock shrimp within 1 year after its expiration date.

(ii) *Inactive endorsement.* An owner of a vessel may apply for a Commercial Vessel Permit for Rock Shrimp (South Atlantic EEZ) and such permit will be issued provided the owner,

(A) Has a commercial vessel permit for rock shrimp;

(B) Had a limited access endorsement for South Atlantic rock shrimp and;

(C) Was unable to renew the endorsement because the endorsement was "inactive" for a period of 4 consecutive calendar years. "Inactive" means that the vessel with the endorsement did not land at least 15,000 lb (6,804 kg) of rock shrimp from the South Atlantic EEZ in a calendar year.

(iii) *Application period.* Applications under paragraph (b)(3) of this section must be received by NMFS by January 27, 2011.

(iv) *Continuity of ownership.* An applicant who believes he or she meets the permit eligibility criteria based on ownership of a vessel under a different name, as may have occurred when ownership has changed from individual to corporate or vice versa, must document his or her continuity of ownership.

(c) *Transfer of an existing permit.* A Commercial Vessel Permit for Rock Shrimp (South Atlantic EEZ) is valid only for the vessel and owner named on the permit. To change either the vessel or the owner, a complete application for transfer must be submitted to the RA. An owner of a vessel with a permit may request that the RA transfer a valid permit to another vessel owned by the same entity, to the same vessel owned by another entity, or to another vessel with another owner. A transfer of a permit under this paragraph will include the transfer of the vessel's entire catch history of South Atlantic rock shrimp to a new owner; no partial transfers are allowed.

(d) *Renewal.* The RA will not reissue a Commercial Vessel Permit for Rock Shrimp (South Atlantic EEZ) if the permit is revoked or if the RA does not receive an application for renewal of the permit within 1 year after the expiration date of the permit.

(e) *Limitation on permits.* A vessel for which a permit for South Atlantic rock shrimp is required may be issued either a Commercial Vessel Permit for Rock Shrimp (Carolinas Zone) or a Commercial Vessel Permit for Rock Shrimp (South Atlantic EEZ), depending on its eligibility. However, no such vessel

may be issued both permits for the same period of effectiveness.

[74 FR 50704, Oct. 1, 2009]

§ 622.20 Individual fishing quota (IFQ) program for Gulf groupers and tilefishes.

(a) *General.* This section establishes an IFQ program for the commercial components of the Gulf reef fish fishery for groupers (including DWG, red grouper, gag, and other SWG) and tilefishes (including goldface tilefish, blackline tilefish, anchor tilefish, blueline tilefish, and tilefish). For the purposes of this IFQ program, DWG includes yellowedge grouper, misty grouper, warsaw grouper, snowy grouper, and speckled hind, and scamp, but only as specified in paragraph (b)(2)(vi) of this section. For the purposes of this IFQ program, other SWG includes black grouper, scamp, yellowfin grouper, rock hind, red hind, and yellowmouth grouper, and warsaw grouper and speckled hind, but only as specified in paragraph (b)(2)(v) of this section. Under the IFQ program, the RA initially will assign eligible participants IFQ shares, in five share categories. These IFQ shares are equivalent to a percentage of the annual commercial quotas for DWG, red grouper, gag, and tilefishes, and the annual commercial catch allowance (meaning the SWG quota minus gag and red grouper) for other SWG species, based on their applicable historical landings. Shares determine the amount of IFQ allocation for Gulf groupers and tilefishes, in pounds gutted weight, a shareholder is initially authorized to possess, land, or sell in a given calendar year. Shares and annual IFQ allocation are transferable. See § 622.4(a)(2)(ix) regarding a requirement for a vessel landing groupers or tilefishes subject to this IFQ program to have an IFQ vessel account for Gulf groupers and tilefishes. See § 622.4(a)(4)(ii) regarding a requirement for a Gulf IFQ dealer endorsement. Details regarding eligibility, applicable landings history, account setup and transaction requirements, constraints on transferability, and other provisions of this IFQ system are provided in the following paragraphs of this section.

(1) *Scope.* The provisions of this section apply to Gulf groupers and tilefishes in or from the Gulf EEZ and, for a person aboard a vessel with an IFQ vessel account for Gulf groupers and tilefishes as required by § 622.4(a)(2)(ix) or for a person with a Gulf IFQ dealer endorsement as required by § 622.4(a)(4)(ii), these provisions apply to Gulf groupers and tilefishes regardless of where harvested or possessed.

(2) *Duration.* The IFQ program established by this section will remain in effect until it is modified or terminated; however, the program will be evaluated by the Gulf of Mexico Fishery Management Council every 5 years.

(3) *Electronic system requirements.* (i) The administrative functions associated with this IFQ program, e.g., registration and account setup, landing transactions, and transfers, are designed to be accomplished online; therefore, a participant must have access to a computer and Internet access and must set up an appropriate IFQ online account to participate. The computer must have browser software installed, e.g. Internet Explorer, Netscape, Mozilla Firefox; as well as the software Adobe Flash Player version 9.0 or greater, which may be downloaded from the Internet for free. Assistance with online functions is available from IFQ Customer Service by calling 1-866-425-7627 Monday through Friday between 8 a.m. and 4:30 p.m. eastern time.

(ii) The RA will mail initial shareholders and dealers with Gulf reef fish dealer permits information and instructions pertinent to setting up an IFQ online account. Other eligible persons who desire to become IFQ participants by purchasing IFQ shares or allocation or by obtaining a Gulf IFQ dealer endorsement must first contact IFQ Customer Service at 1-866-425-7627 to obtain information necessary to set up the required IFQ online account. Each IFQ participant must monitor his/her online account and all associated messages and comply with all IFQ online reporting requirements.

(iii) During catastrophic conditions only, the IFQ program provides for use of paper-based components for basic required functions as a backup. The RA
